### PRINCIPAL'S MESSAGE

As this school year nears its end, I wish to convey a sincere thanks to all students, staff, Catholic School Advisory Council members, volunteers, parish members and families, who contribute so much to the success of St. Mark Catholic School.

Many great things continue to happen at St. Mark School in the month of June. Be sure to scan the calendar for more information about up and coming activities and events at the school in June, and we even give you the **2019-2020 School Year Calendar** (*see page 10*).

We had our annual **Spirit Day** at St. Mark School on Friday, April 26<sup>th</sup> in the afternoon. With great thanks to our entire school community, we raised \$3,025.00 and the funds were directed to the following charities: KidsAbility Foundation, Hope Spring Cancer Support Centre, Juvenile Diabetes, Teen Challenge, St. Mark St. Vincent de Paul Society, Lisaard & Innisfree Hospice, and the Humanitarian Coalition. We thank sincerely our students, parents & guardians for their donations and support, we thank our staff for all the planning, organizing, time and effort that goes into this event, and a special thanks to Mrs. Garrett for taking the lead once again – well done!!

Our **Year End Mass** is on Friday, June 21<sup>st</sup> at 9:30 am at St. Mark Church. We hope you can celebrate with us. I wish much success to our grade 8 students as they will continue their education at the secondary level, and I wish all the best to those students and families who will be continuing their journey at another elementary school this fall.

Wishing all fathers in our school community a very happy **Father's Day** on Sunday, June 16<sup>th</sup>!! 😊

I hope everyone has a very safe and happy **summer holiday**!! 😊

**SAFE ARRIVAL TO SCHOOL**

The school day begins at 8:55 am. Teachers and other staff members begin supervising the school yard at 8:40 am. Please **do not** send your child/children to school before 8:40 am, since they would be unsupervised on the school yard – unless your child is enrolled in our Extended Day Program. If this is difficult for you, please make daycare arrangements for your child/children. Thank you for your cooperation in this important matter.

Also, this is just a gentle reminder that if your child is sick or will be late coming to school, you **MUST CALL THE SCHOOL AT (519) 743-4682** and inform us of the absence. Please also provide for us a reason for absence. Thank you for helping to keep our students' safe.

**VISITORS TO THE SCHOOL**

Please remember that **ALL VISITORS** to the school, including parents, must sign in and out of the office during in-class hours. Thank you for your attention to this important reminder.

**PLEASE NOTE:** If you are volunteering at the school, you are required to wear a 'volunteer' badge. If, on the other hand, you are simply visiting the school, you are required to wear a 'visitor' badge. Both badges are available in the main office. Mr. Neufeldt will personally issue one to you if you are either volunteering or visiting the school.

**PARKING REMINDER FOR PARENTS/GUARDIANS**

Thank you to all parents, guardians and caregivers who have been following the rules for dropping your children at school and picking them up at the end of classes. The safety of your children remains the priority for everyone at St. Mark School. A reminder to the few who are still not following the rules and are putting our children's safety in jeopardy:

**Parents/Guardians are not to be using the school parking lots to pick up their child/children between 8:40 am & 3:40 pm;** Parents/Guardians who have a child enrolled in the Extended Day Program can use the parking lot from 7:00 am – 8:40 am and 3:40 pm – 6:00 pm.

Parents/Guardians are not to be parking in the handicapped space, unless they have a permit or the principal's permission to do so.

Parents/Guardians are not to be parking in the school zone on Autumn Hill Crescent; we encourage parents to park on the school side of Autumn Hill Crescent when dropping their child/children off to school. **Drive the LOOP.** Again, not in the school zone; a city Bi-Law Officer will issue tickets to those who do not comply.

When students are dropped off they are not to be walking through the parking lot on their own – rather, students need to be escorted by parents/guardians to the playground area.

Together, let's make our school the safest place for our students.

**ATTENDANCE CHECK PROGRAM**

Our Attendance Check Program is in place for the school year. If your child is going to be absent from school or arriving late for school, please report this by calling the school at (519) 743-4682 or sending a note in advance with your child. Parents/guardians, NOT children,

### Holiday Math: Take advantage of math in the world

Summer is a great time to learn how math relates to the real world. Math is everywhere! Help your child prevent “summer learning loss” by taking advantage of the many great opportunities to practice math naturally! Below are a few ideas to get you started:

Cooking can involve weighing, measuring, ordering, estimating, adding, multiplying ...

Restaurants and shopping can involve money, number identification, estimating, adding, subtracting, division ...

Parties can involve matching numbers of people to plates, cutlery, area of tables, estimation, multiplication ...

Trips can involve time, distance, budgeting, speed, evaluating various routes, license plate games (e.g. adding or multiplying the numbers on the plate) ...

Home projects can involve estimation, measuring, multiplication ...

Gardening can involve measuring, counting, area, division ...

These ideas all demonstrate how much math is involved in our daily lives and will support your child in his or her basic computation and problem-solving skills in natural, fun and real ways Find out what is available to parents/guardians to support math at home: <http://www.edugains.ca/newsite/math/homesupport.html>

## STRONG START READING PROGRAM

### Strong Start Reading Volunteers Needed for September 2019

Do you have 30 minutes per week for 10 weeks to help a young child learn to read? Volunteers are needed to support our students in Senior Kindergarten, Grades 1 and 2 who need a boost with early literacy skills. The Strong Start Letters Sounds and Words™ program is a 10-week program designed for volunteers to

Work one-on-one with children, playing a variety of engaging games and activities. The Letters, Sounds and Words program is unique as it was designed to be easily implemented by volunteers in schools, including those with little to no previous experience working with children. The required training and the prescriptive program manuals allow volunteers to be very independent in running the program.

Register here for two 2-hour training sessions: [Volunteer Training Schedule](#)

### TVO m-POWER

We from Together Families would like to introduce you to TVO m-Power, an amazing online educational resource for both educators and students. Developed by the creators of award-winning TVO kids, TVO m-Power offers a series of exciting, cross-curricular and FREE online math games that support the development of foundational K-6 math and STEM skills.

We want parents and educators to know that m-Power can foster positive attitudes toward math, so we created a digital copy of the *Letter to Parents* which can be found on [www.TogetherFamilies.com](http://www.TogetherFamilies.com)

Ignite your child's math potential and help develop your child's math skills with TVO m-Power's free online K-6 games at [www.tvorg.org/mpower](http://www.tvorg.org/mpower)

## JUNE FIT BIT

### Eating well during the summer season:

It's that time of year again. Time for vacations, neighbourhood barbeques, road trips, pool parties, and the list goes on. With these fun celebrations come "special occasion foods." It is important to remember that healthy eating is not only from September to June and should be encouraged all year round! Keeping children on track with their healthy eating habits is important to establish long standing healthy behaviours.

During the summer season, you can find an abundance of fresh and delicious vegetables and fruits that are packed with nutrients and water which can help the body overcome the summer heat. Set a goal for you and your children to try a new vegetable or fruit this summer. Stop by your local farmers' market for locally grown foods and try them in a recipe or on their own!

Here are some additional tips to help you and your family practice healthy eating during the summer:

- **Road trip:** Save money by planning ahead and bringing your own healthy food. Pack healthy snacks such as pre-cut veggies, dip, fruit, whole grain crackers, hummus and water.
- **Barbeque:** Family and friends having a get together? Offer to bring a salad or vegetable platter. That way you know there will be a healthier option available.
- **Beach:** Bring a healthy snack like yogurt and fruit with you in a cooler. Don't forget about water and sunscreen! Drinking water in the heat can help prevent dehydration and heatstroke.

Try **Icy Yogurt Pops** for a refreshing treat!

1 cup non-fat plain yogurt  
3/4 cup puréed fruit  
3/4 cup non-fat milk

Combine yogurt, puréed fruit and milk. Pour into seven small paper cups. Freeze until partially frozen. Insert a wooden stick into center of each; freeze until firm. To serve, peel off paper cup.

## ST. MARK 2019-2020 REGISTRATION

If you have plans to register your children for the fall of 2019-2020, but have not already done so, please make a point to contact the office about completing your registration no later than **June 14, 2019**. Parents that wait until September to register their child may have to wait several days due to the sheer volume of work involved in school start up. Please assist administrative staff in avoiding any delays by registering ahead of time.

### NON-RETURNING STUDENTS AT ST. MARK SCHOOL 2019-2020

If you know that your child will NOT be attending St. Mark for the 2019-2020 school year, please notify the St. Mark main office immediately. Please provide us with the school name and location of the new school you will be attending as soon as possible (documentation will need to be sent to the next school if that school resides in Ontario).

## STSWR – TRANSPORTATION DETAILS FOR THE 2019-2020 SCHOOL YEAR

Transportation details for the 2019 - 2020 school year will be available on Monday, August 19, 2019. Parents can login and view your child's transportation details by going to [www.stswr.ca](http://www.stswr.ca) and following these easy steps:

- Click on "Student Login"
- Enter your child's Ontario Education Number (OEN)
  - This can be found on your child's report card
  - Numbers only, no space, no dash
- Enter your child's birth date
- Enter your child's street number
  - house number only
- Select the school your child is attending from the drop-down menu

***Please note: any address changes need to be done through your school. If you are moving this summer or change caregiver arrangements for the fall, you should communicate the change of address to your child's school before the end of the 2018-2019 school year.***

You can also visit [www.stswr.ca](http://www.stswr.ca) to see bus delays and cancellations, subscribe to receive e-mail notifications for late buses and closures and follow us on Twitter.

## NEWS FROM THE LIBRARY LEARNING COMMONS

Summer is fast approaching and there are many opportunities to keep reading when the school library is closed. Visit the Kitchener Public Library (<https://www.kpl.org/>) to check out books and find out about all the great programs and events going on all summer long. Going on a road trip? Download an e-book or audiobook from Overdrive Media (<http://vlcguides.wcdsb.ca/home/EZFind>) and listen to a book on your

iPod or MP3 player, or read a book on your tablet. Ask Ms. Najjar for more information.

**Reminder:** The Library Learning Commons will be closed for inventory in June. All school library materials are due back the week of June 1<sup>st</sup> -7<sup>th</sup>. Have a safe and happy summer, everyone!"

**And:**

**Rescheduled:** On a date TBD, University of Waterloo Media Studies Professor Marcel O'Gorman will be offering presentations and workshops to intermediate students who will be making resistor cases and learning about the impacts of technology on society. This event is sure to engage students and make them think about their reliance on technology and how it is affecting their lives.

## ECO SCHOOL INITIATIVES – JUNE 2019

**Boomerang Lunch Week** is scheduled from June 17<sup>th</sup> – 21<sup>st</sup>. Students will be bringing home all items (e.g. packages, uneaten food, apple cores, etc.) from their lunch bags even those purchased through the Lunch Box Program. Students will not have an opportunity this week to use the school's garbage bin or recycle bins. The ECO Schools Club hopes parents will pack their child's food in washable, reusable containers. Let's continue to do our part for our beautiful planet Earth.

**Yard Clean-Up Day** is scheduled for Thursday, June 13<sup>th</sup> at 12:45 pm. Students will have an opportunity to help clean-up the school yard of any garbage or debris. Let's continue to take care of our school yard and do our part for the environment.
