Watch for Our Trailblazers
(You’ll know them by their vests!)

Trailblazers know the roads.
They are trained by professionals through safety patrol training and they've taken the Trailblazer Oath to be inclusive and model good pedestrian skills. Their bright vests make drivers more aware of all walkers.

Trailblazers will:
- Model good pedestrian skills for others
- Use well-traveled routes to school
- Be inclusive and watch for bullying on the street
- Safely navigate unexpected hazards
- Identify crises and alert the school

*Trailblazers are not responsible for babysitting or leading other children to school.*
